

LATINAS WITH BREAST CANCER

BE PART OF A STRESS MANAGEMENT PROGRAM AND STUDY FOR WOMEN WITH BREAST CANCER.

- Are you Latina?
- Are you 18 years of age or older?
- Were you diagnosed with breast cancer?

IF YOU ANSWERED YES:

You may be eligible for a study that is developing a program that will provide women with training and tools to manage stress.

PARTICIPATION IS VOLUNTARY AND CONFIDENTIAL

Participants will receive up to \$100 for completing 4 interviews.

This study is being conducted by UCSF.
